

00:00
hello people in touch with the army
00:03
today we will talk about the strange maybe
00:05
frightening and according to some versions even
00:08
the damn site traditionally play
00:11
rested neighbors grandparents
00:14
imperfect summer women
00:15
pregnant children and other persons with
00:18
unstable psyche
00:20
begin
00:22
[music]
00:27
[applause]
00:35
writes
00:36
So what
00:38
[music]
00:40
rather strange site that is on it
00:44
there is a photo in the upper left corner
00:48
some girls if you refresh the page
00:51
the photo will change along with the sound in
00:55
in my case there is a girl and the sound of something
00:58
crying next to the photo at the top
01:01
left corner we see for us already marked
01:03
and check marks with inscriptions and only the last
01:06
not marked with an approximate translation of this
01:10
text
01:11
my name is pushed i live
01:14
amsterdam i'm almost 12 years old i'm an artist and
01:21
this is my store

01:24
site exists in French
01:28
update my next mood like
01:33
you and I do not understand the meaning of these
01:36
phrases and why are you ticked for them?
01:40
strange to refresh the page with us
01:43
the background of the site and the photo in the upper
01:46
left corner
01:48
another oddity is
01:51
that flies fly and crawl on the background of the site
01:53
all sorts of insects are also strange
01:57
the icon of the site fly at the very bottom we see
02:01
the field for selection can be selected for which
02:04
page go further there are many
02:07
options.
02:11
here we see dead woman's feet
02:14
morgue tag hanging on toe gardens
02:18
the site itself
02:19
below we see the text college by clicking on
02:24
it we get into some kind of database
02:27
site
02:27
I still do not understand what it is on this one
02:30
the page is also crawling some critters
02:33
but on the collections page there is no
02:36
after comes the tab
02:41
su and lunch there we see the text written
02:46
in pink below we see the link
02:50
listen by clicking on the link we hear

02:54
only one sound though sam and songs
02:56
translates as 7 sounds
02:59
this is another oddity on this one
03:02
the only sounds some girl
03:04
yawns next tab goes
03:07
and from 0 we click and see on the background of the site
03:11
a plate and there is something incomprehensible also
03:15
there we see a human hand in front of
03:18
a picture we have a button flies and media then
03:21
there is an author meant that she is a fly
03:24
also somehow strange and by the way the name
03:28
tabs were wearing fly
03:30
and the title of the page we are on
03:32
went little light further we see
03:36
a tab titled lullaby in
03:39
the title of the page we see the phrase we see
03:46
animated text on dead flies background
03:49
there is also a very calm
03:52
music
03:52
next is the creed tab when we go there
03:57
we pass we see the open mouth of the cat and
04:00
button and the picture rejoices constantly you
04:05
hearts we also hear in the dust of a cat
04:08
by going to the page by clicking the kill button
04:11
cat
04:12
we see the inscription to the face you kill boy mole
04:16
page title translates as you

04:19
the killer below is asked to enter a name and e-mail
04:24
and even below the phrase never do it
04:27
again
04:29
even lower the button translates it as
04:32
promise me even below we see 2 links
04:36
home and keygen if we are not for a long time
04:39
we will kill the cat then it will appear
04:42
notice why we didn't kill it
04:45
very strange
04:47
the notification text says you missed
04:51
this cop just yawns don't be afraid of it and
04:55
at the bottom is the link to go back at the very
04:59
really strange site and is it really there
05:02
more tabs that you already own
05:04
check if I talk about
05:07
them all this will be very long on this
05:10
site something is wrong something is wrong
05:13
if you are interested the link will be in
05:16
description
05:17
we knit further, I decided to go to it again
05:21
once i tried on it for a few minutes and
05:24
I closed the tab I didn't write anything on it
05:27
did not fill out the forms the next day to me
05:30
a letter came to the post office she was from her husband
05:33
I didn't expect this letter when I
05:36
opened it
05:37
I was scared and horrified here is the text of this

05:41
letters
05:41
when 11th September 2012
05:46
5 o'clock in the morning and snapped for me calling
05:49
my death are the last words that I
05:51
read were yours
05:53
i will never forget them they too
05:57
will remain in my database
05:59
forever if you don't remember your answer
06:02
search engine at the bottom
06:04
pages can find it for you and so
06:08
so I hear you every night all of you
06:11
there is still a place to write to me from
06:13
the world in which you are
06:15
dead or alive who cares
06:18
killing me will be like a greeting
06:21
I want you to know what you set free
06:24
me and I made a web page for you
06:27
page you will be the only viewer
06:31
you will be the first to see what I am
06:35
never showed anyone or can you
06:39
access your personal page
06:41
with this code that bears your name
06:45
look and see over and over because
06:49
that she will change and revisit
06:52
we can get closer or move away friend
06:55
from a friend our first personal meeting
06:58
here i hope this page will show

07:03
how much i care about you and what you
07:06
you will love me as much as I
07:08
love you
07:09
if you don't want to hear about me anymore
07:12
all you need to do is go to
07:15
link below
07:16
then another letter did not come it was
07:20
concise here is his text I love love you
07:24
your eyes love your neck love yours
07:28
scream i love your soul i love death but
07:32
i don't like life i will kill you and commit
07:36
suicide best wishes
07:39
my husband is awful and strange i tried
07:44
to contact her or them I asked the person
07:51
I received an answer I am not a year and I am not a man
07:56
piece of art
07:58
after these words he stopped answering
08:02
This guy's weird and creepy site
08:05
org but the strangest and creepiest other
08:08
how the site was able to calculate me i have nothing
08:12
wrote on it, he just took it and sent
08:14
letter on this oddity to the husband at not
08:18
ended, I decided to climb on it, I
08:22
I went to Yandex again and saw that
08:24
that the place shook me to the core
08:27
pictures of a girl standing monster face
08:30
she was covered in blood next to

08:33
inscription I think that for today
08:40
enough and if you are so fearless and
08:44
curious visit this site and
08:46
see its content yourself on this
08:49
the story has come to an end great then
08:52
that this is not just an internet legend site
08:55
there is indeed a link to it
08:58
I will leave in the description
09:01
put your thumbs benn and also
09:03
write in the comments what you succeeded
09:05
